Inauguration of NSS Special Shram Sanskar Camp by K.B.H. Pharmacy, Malegaon at Vajirkhede

The college organizes special camps such as the seven-day "Shram Sanskar" camp focused on community development, rural and urban growth, and social awareness themes like "Youth Commitment to Village and City Development."

Events include blood donation camps, health screenings (e.g., hemoglobin tests), and educational rallies raising awareness on critical issues such as HIV-AIDS prevention, digital literacy, environmental conservation, and public health.

Vajirkhede — The NSS Unit DSF-96 of K.B.H. Pharmacy College, under Savitribai Phule Pune University, Pune, launched its annual seven-day Special Shram Sanskar (Value of Labour) Camp at Vajirkhede from January 17 to 23, 2023, as part of the "Azadi Ka Amrit Mahotsav" celebrations on the theme "Youth Commitment to Rural and Urban Development."

The inaugural ceremony was graced by Sarpanch Smt. Sunita Sanjay Borse and Shri Dilip Tukaram Nikam, along with all village council members. The chief guest, Principal Shri K.D. Chandan (Shubhda Secondary School, Malegaon), addressed and inspired the students for active participation and social responsibility.

Throughout the week, the camp will feature a variety of community-focused initiatives, including awareness activities, a blood donation drive, and hemoglobin screening camps.

Institution President Shri Prasad (Bapu) Hiray conveyed his best wishes and called upon students to lead social awareness campaigns. Principal Dr. Vinod Bairagi provided valuable guidance to the participants.

The camp is coordinated by Program Officer Prof. Sandeep Ahire, Co-Program Officers Prof. Pratik Patil and Prof. Amol Shirode, along with the Student Development Board Officer, ensuring comprehensive planning and successful execution.

• **Notable Activities:**

- **Practical demonstrations and Animal House visit**
- **Research awareness and experimental learning sessions**
- **Pharmacist Day felicitation for local pharmacists**

Objective: To enhance practical knowledge of experimental pharmacology and encourage research competence among pharmacy students.

Malegaon: In celebration of World Pharmacist Day, the K.B.H.S.S. Trust's Institute of Pharmacy, Malegaon, successfully hosted a State-Level Workshop on Experimental Pharmacology under the guidance of Hon. Shri Prasad Babu Hiray, President of K.B.H.S.S. Trust. The workshop aimed to enhance students' understanding of experimental pharmacology techniques and their applications in pharmaceutical research.

The event featured participation from students and faculty members representing various pharmacy colleges across Maharashtra. The workshop began with an inaugural address by Principal Dr. Vinod Bairagi, followed by a felicitation ceremony for the Chief Guest — Shri C.P. Kulkarni, Former Principal of A.I.T. Institute of Pharmacy, Malegaon. In his keynote address, Shri Kulkarni emphasized the critical role of pharmacology in bridging the gap between pharmacy and medical sciences, highlighting its relevance in drug development and therapeutic applications. He encouraged students to embrace research-oriented study techniques and pursue innovation in the field of pharmacy. A major highlight of the day was the live demonstration and practical session held at the college's Animal House Facility, led by Dr. Zia and postgraduate students from the M. Pharm (Pharmacology) department. The participants gained hands-on experience with key experimental techniques and instrumentation used in preclinical pharmacological research.

The program was anchored by Ms. Vaishnavi Patil, who conducted the event smoothly. The workshop concluded with a vote of thanks, expressing gratitude to the guests, faculty, and participants. Following the workshop, to mark World Pharmacist Day, local pharmacists and medical store owners from Malegaon were felicitated with floral bouquets in recognition of their service to the community.

Faculty members including Dr. Mohammad Imran, Prof. Ritika Khairnare, Prof. Yogesh Sonawane, Prof. Rupesh Devre, Prof. Rakesh Bachhav, Prof. Bhaskar Aher, and Prof. Vishal Chavan played vital roles in organizing the event with the support of teaching and non-teaching staff.
